

Mighty Messaging Customer Referral Program

Mighty Messaging's Referral Program is designed to show our appreciation and thank you for referring companies to us that you believe would benefit from Mighty Messaging's managed service.

To reap the rewards from Mighty Messaging's Referral Program, all you need to do is tell your business associates about Mighty Messaging's managed spam and antivirus service (Mighty Mailbox) that safeguards organizations from junk email ("spam"), viruses, worms and other email threats. For each new customer you refer you receive a generous commission after their third monthly service payment.

What is the process for referring business associates to Mighty Messaging?

Becoming a Referral partner is quick and easy.

- Tell your business associates about Mighty Messaging's managed service for email protection and security. If they are interested, either you or your referred business associate can contact Mighty Messaging.
- If your referred business associate contacts Mighty Messaging, make sure that they mention your name and your company name.
- If you directly contact Mighty Messaging with your business associate's name, Mighty Messaging's Sales Team can take it over from there.

What happens once I refer a business associate to Mighty Messaging?

- A member of the Mighty Messaging Sales Team will work with your business associate to become a Mighty Messaging customer.
- If your referred business associate becomes a Mighty Messaging customer within 120 days from the referral, you will be asked to complete an IRS W-9 form so that we can process your Referral Program payment. Alternatively, if you are a business owner, we can pay your entity directly.
- When Mighty Messaging receives a completed W-9 form, we will send you a one-time commission check, or provide a one-time credit to your Mighty Messaging account in the amount of \$.50 per seat/user, for each one of your referred business's seats, up to 4,000 seats.

What are the Terms and Conditions of Mighty Messaging's Referral Program?
